

YUSU NUS Delegate 2018/19 Elections: Voting Summary

Due to the size of the student population at the University of York, we are eligible to send 5 delegates to NUS National Conference, one of which is reserved for the Union President (James Durcan). The other 4 delegate positions are elected by a cross-campus ballot. NUS Delegates are elected by Single Transferable Vote (STV). Nominations for the positions were open for two weeks, after which voting was held between Monday 19th and Friday 23rd of November 2018.

At NUS National Conference 2014, delegates passed a policy to ensure that delegations to National Conference would be made up of 'at least 50% self-defining women, rounded down'. For us, that means that at least 2 of our 4 elected delegates will be self-defining women. This is worked out by having one vote count of all the self-defining women, removing the two winners, and holding a second vote count of all the candidates together. The following tables show the breakdown of voting in these two counts:

NUS Delegate Elections 2018/19 (Self-Defining Women)
